REF: Final warning for consultancy agreement “SABINA”

Dear Mr Boveda,

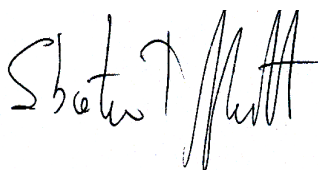

Following my letter of 29 May (REF: Warning for fulfilment of duties according to consultancy agreement “SABINA”), we have not received any response from you.

In particular, to date you did not send us the draft deliverable D1.4.1. Moreover, you did not participate in the consortium conference call of 6 June 2017, which was focused on D1.4.1, and you did not justify your absence either with us or with the call organiser.

In view of the above, I am very concerned that DIGITAL SME may not be able to fulfil its contractual obligations vis a vis the SABINA consortium and the European Commission, in particular with regard to the submission of D1.4.1, as well as the following standardisation related tasks.

Therefore, this is a final warning: please send me the draft deliverable D1.4.1 before Friday 9 June. Should you fail to deliver this document in time or should we consider the content insufficient in view of the efforts you reported so far and in view of the advanced stage of task 1.4 in the project timeline, DIGITAL SME will terminate your contract.

Kind regards,

Sebastiano Toffaletti
