eInvoicing: The Directive now!

**Directive 2014/55/EU** on eInvoicing in public procurement calls for:

- European eInvoicing Standard (EN) to be developed and tested by CEN
- All CAs and CEs* in the EU obliged to receive and process electronic invoices compliant with the new standard by latest 27 November 2019 *(depending on the availability of the Standard)*
- CEN TC 434 agreement on a **limited list of syntaxes**: common objective achieved (UBL and CII)
- Semantic model stable

**Scope**

- Only invoices covered by EU Public Procurement Directives
- Only invoices submitted to the public sector
- Covers all public authorities & entities (national, regional, local, public health centres, universities)

* Within the scope of the Directive 2014/55/EU.
